

ART, ANIMATION, ARCHITECTURE, DIGITAL MEDIA, ETC.

<http://portfolioday.net/>

Search for traditional and computer animation programs, plus other majors in the visual, studio and digital arts, at the National Portfolio Day web site.

<http://nasad.arts-accredit.org/index.jsp>

<http://aicad.org>

Shopping for an art college? These two web sites provide information about accreditation, available majors, National Portfolio Day, etc.

www.acsa-arch.org/home.aspx

This is the web site of the Association of Collegiate Schools of Architecture. Click on "Students" to access college and career resources. High School preparation is addressed. The Association also recommends visiting: www.archcareers.org

www.aia.org

Access a publication titled *The Architect's Journey: Exploring a Future in Architecture*.

www.accredit-id.org/

The Foundation for Interior Design Accreditation's web site will tell you if an institution's Interior Design Program is approved by this organization.

www.igda.org/

Visit this site for real life profiles of people who work in the specific areas of game design and development and to access a great listing of colleges. Click on "Info on breaking into the industry." It will take you to the careers page. Colleges are listed under "Resources."
