

COLLEGE INFORMATION, CLASS OF 2011

I'm visiting Junior English classes this month to review college testing requirements prior to the upcoming registration deadlines for the March 13 SAT: regular registration deadline on 2/4 and late registration deadline on 2/18. A preview of the information college-bound Juniors need to be aware of is posted on the College & Career Center page of the Parent Club web site. Scroll to the end of this document for a calendar of important dates pertaining to Juniors and their parents.

We generally offer practice tests on a Saturday in February, but this year Las Lomas High School is providing this opportunity to our students, on February 20th at 8:30 AM. Interested students may take a full-length practice SAT or ACT (American College Test). It is especially important for Juniors who did not take the PSAT in the fall to take advantage of another chance to test "off the record" before the March or May SAT. Pre-register for either practice test by paying me the \$10 fee, or pay \$20 at the door. Checks should be made payable to Las Lomas High School and delivered to the Northgate College & Career Center during Brunch, Lunch or after school. Include the student's name and e-mail address on the check or envelope.

Advanced Placement Test registration is also taking place in February. Forms are being distributed in AP and Honors classes and at study session presentations. The deadline to register for \$92 per test is Tuesday, February 16th. Late registration is available from February 17 - 26 for \$132 per test. Make checks payable to Northgate high school, or pay on-line with a credit card at the NHS web store.

Pat Brands, College Counselor
