PSAT Prep Seminar

Presented by Ames Seminars **A fundraiser for the NHS Parent Action Team**

An Introduction to College Entrance Exams

Want your best SAT score?
Take the first step -- prep for the PSAT!

In this 4-session course you will learn strategies, practice on actual PSAT questions, and gear up to perform your best on test day!

Your scores will then provide a much more accurate assessment of areas to target for improvement before taking the SAT.

The first 3 PSAT Prep classes include:

- Test format review; PSAT and SAT test-taking strategies
- Strategies and review of frequently-tested concepts for the Critical Reading, Writing and Math sections
- Practice on a PSAT Math, Reading and Writing test section.

4th session (for students and parents):

NOTE: This session is held in JANUARY, *after students receive their PSAT scores* from their high school.

- Analyze and interpret actual PSAT results
- Compare the PSAT, SAT and ACT
- Review entrance test requirements for college admission
- Provide recommendations for the college search process
