

PARKING PERMITS ARE REQUIRED FOR PARKING

Parking Permit Applications are available for

- Seniors
- Juniors
- Students with “A” period classes

Click on the link below to download the application. Make sure to type in *ALL APPLICABLE* information using the fill-in feature that’s been formatted for you, and then *PRINT* the form. You may either PAY ONLINE at the NHS [WebStore](#) and attach your receipt to your completed application, or attach your \$40 check made out to “NHS” to the completed application. Turn your application and payment option in at STATION 4 along with all the other Northgate paperwork. The Treasurer, Mrs. De La Rosa, will advise when the permits are ready for pick-up after processing *all* applications (late September to early October).

IMPORTANT: A STUDENT’S CAR WITHOUT A PERMIT IS DEFINED AS UNAUTHORIZED.

Students must park **ONLY** in front of the school. Unauthorized cars or other vehicles may be cited, towed at the owner’s expense, lose parking privileges on campus, or have further disciplinary actions taken. Remember that a student permit *allows* you to park in the student lot but does not guarantee you a space. We encourage all students to arrive by 7:40 am.
