2011-2012 Northgate Instrumental Music Boosters

The Northgate Instrumental Music Program, one of the most rigorous and ambitious programs in the area, depends upon parent volunteers and financial support to assist with the many activities held throughout the year. NIMB is designed to enhance the music experience for all of the students. In addition to participating in fund raising activities, we request that every instrumental music family join the NIMB and make the recommended donation. Boosters' membership donations are used to pay for purchase of music, instrument purchases and repairs, competition fees and greatly increasing travel costs. We need EACH family to pay their fair share. The donation is set in proportion to the anticipated expenditures for each group during the school year.

<u>If your student is in two or more groups, only the *HIGHEST SINGLE DONATION* is requested</u>.

The Requested Donation levels for the 2011 - 2012 school year are:

(optional programs – Fees are required) **Marching Band - $485 MB Auxiliary - $300 MB Drum Line - $635**

(curricular programs) **Jazz Band-$420 Wind Ensemble - $275**
