

Gently Used and/or Borrowed Concert/Band Wear

Northgate Musicians and Families:

As the end of the school year approaches and some of our musicians are graduating, we are putting out a call for **gently used concert wear donations**. We are also requesting that **borrowed attire that no longer fits or will not be needed next year** be returned.

Clothing items needed include:

- Black concert dresses
- Tuxes (especially smaller sizes for incoming freshmen)
- White shirts (colored shirts as well for Men's Jazz band)
- Black bow ties (cummerbunds if you have them)
- Men's Jazz band suits
- Ladies Jazz band vests and/or colored shirts
- Marching band shoes

We need your help to be able to make concert attire available to our 2015-2016 music students who need to borrow items.

Borrowed Concert and Band Attire:

- If you are one of the students who has borrowed concert/band attire and have outgrown *or* will no longer be using them, please be sure to return those items to me clean and ready for the next students' use.
- If you will be using the attire again next year, please hold onto your items for use (if you need a different size, please clean and return it; we can get you a better fit when more clothing comes in).
- If you will need to borrow attire for the next school year, send me an e-mail me with your name, phone #, e-mail, and clothing needs/sizes. I will start a list.

Donations and returned items can be left on my front porch anytime; the sooner the better so that we can get an idea of what we have for the next school year beginning in August.
